AZCB Summer Mentoring CLE

You're invited to meet with distinguished members and friends of the bar and bench who represent various career paths, including judiciary, large firm, small firm, solo practitioners, public service, non-profit, and in-house counsel. Attendees will meet in small, rotating groups, providing you the opportunity to meet with faculty members in a more personal setting, rather than the traditional panel format CLE. Discussion topics may include professional development, the value of mentorship, and the several pathways and destinations in the legal profession.
